Career Objective

I am familiar with Python programming and want to explore more in the areas of computer hardware and Django. I am dedicated and a fast learner. I wish to learn new things and explore more possibilities using Python. I want to implement and create new projects in the field of Python Programming.

Technical Skills

1. Python Programming
2. Java Programming
3. C Programming
4. Computer Architecture
5. Data Structure
6. Operating System
7. Full Stack Development

Education

Education	School/College	Board/University	Percentage of Marks	Year of Passing
B.Tech	Karunya Institute of Technology and Sciences	Karunya Deemed-to-be University	84.2	2024
HSC	Holy Cross Matric Hr. Sec. School	Tamilnadu State Board	81.3	2020
SSLC	Sri Saratha Balamandir Boys' Matric Hr. Sec. School	Tamilnadu State Board	91.6	2018

Advanced Technology Skills

- Data Science
- Data Visualization
- Machine Learning Techniques

Experience

Web Development Remote Internship

Taibah University
06/2022 - 07/2022
Web development Remote Internship, Covered different life cycle of a programmer, on SRS document and on Web development(Front End: HTML and CSS, Backend: PHP and JavaScript)

Python Programming Internship

Cisco Networking Academy
04/2022 - 06/2022
Virtual Internship Program in the Field of Python Programming, The internship had a short course on Python, Assignment problems and ended with a final project.
